Speaker: Stephen Webber, Candidate for Missouri State Senate, Missouri, 19th District

Stephen Webber grew up in Boone County, raised by parents who work at the University of Missouri. As a graduate of Hickman High School and the son of parents in education, Stephen has a strong commitment to our local schools and public education. After his graduation from Hickman in 2001, he went on to pursue a degree in Economics at Saint Louis University.

Stephen has always had a strong sense of duty, which compelled him to serve our nation by enlisting in the Marine Corps while in college. While still in school, Stephen's reserve infantry battalion was activated and sent to the middle of the Sunni triangle, only a year after he enlisted. He returned to school after serving in Iraq and completed his degree in economics. Stephen also attended the University of Missouri School of Law, graduating with his JD degree in 2013, and is a licensed attorney in the state of Missouri.

After college in 2006 and volunteered to return to Iraq. During his second tour Stephen led an infantry squad of 12 Marines in the city of Fallujah. Although he disagreed with the war, he felt he had an obligation to use his experience to lead his fellow Marines through the difficulties ahead. When he returned home, he received a promotion to Sergeant and was honorably discharged. His experience in Iraq reinforced his commitment to public service and fostered a desire to come home and make Mid-Missouri an even better place to live.

After serving his country, Stephen moved to Washington, D.C. to serve the people of Missouri as an aide to U.S. Senator Claire McCaskill. Webber is currently the State Representative for the 46th District. As a State Representative, Stephen's goal is simple: work with anyone who wants to make the community better, regardless of party. Stephen has reached across the aisle to make college more affordable, increase job training, support middle-class families, and ensure access to healthcare at no cost to taxpayers.

Stephen is continuing his commitment to serving the people of Missouri in his campaign for State Senate. He will continue to work with anyone who wants to make Mid-Missouri a great place to live.
